8 Months +

Value

£125,000

Highlights

500 Man Days Supplied To Date

Accident Free Project

Completed ahead of Programme Deadline

"We would highly recommend Lawmens without hesitation, having been working with them over the past 6 years. They are reliable, efficient and accommodating, even when we make a late call to them. Their operatives are professional guys, who get the job done without fuss, and are happy to work late to achieve deadlines. As a company they always ensure that the load outs we use them for run smoothly, and importantly to our Project Managers without disruption to our clients" - Lee Sadler
